

Television Transcript – Average Speed Safety Cameras

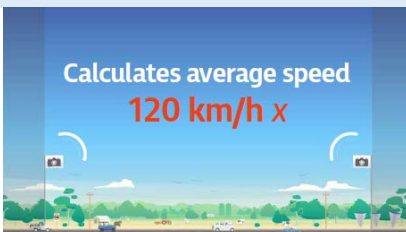

VO: For speeders, September 6 is not going to be a good day.

VO: Because the Average Speed Safety Camera Zone on Forrest Highway will be live – and fines can be issued

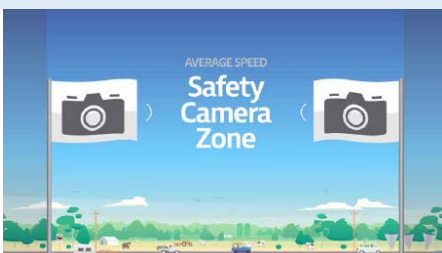

VO: These cameras calculate your average speed between two points.

VO: Those people exceeding the 110 kilometre per hour average speed limit in the zone, will be fined.

VO: For the rest of us doing the average, nothing's changed.

VO: The Average Speed Safety Camera Zone is here to stand firm against speeding and keep our roads safer for all of us.

VO: Authorised by the State Government, Perth.
