

We've all got somewhere to be. But a wave makes the ride more enjoyable.

JOIN THE WEST AUSSIE WAVE

There's a wave to give way, a wave to say thanks, even a wave for when you accidentally do the wrong thing. It's a symbol of courtesy that all road users can be known for. Join The West Australian and Channel 7 putting kindness in motion on WA roads.

A road safety message for the State Government, Perth.
